

§ 650.70

Under unusual circumstances, when the installation commander considers it prudent to respond contrary to the above guidance, request for waiver will be submitted through appropriate command channels to HQDA (DAEN-ZCE) WASH DC 20310.

(b) In all cases, waiver request will include a legal opinion by the staff judge advocate of the installation concerned or of the next higher command having a staff judge advocate to insure legal sufficiency. Special attention should be given to questions involving registration of sources and compliance schedules to insure that the legal implications of such instruments are understood.

§ 650.70 Operator training and certification.

(a) Operators of water treatment works and sewage treatment works shall meet levels of proficiency consistent with operator certification requirements applicable to the State or region in which the facility is located. (AR 420-15, Certification of Utility Plant Operators and Personnel Performing Inspection and Testing of Vertical Lift Devices).

(b) Necessary training of water treatment works and sewage treatment works operators will be accomplished through programs sponsored by the State in which the facility is located. In the absence of such State or regional programs, training will be accomplished at qualified institutions designated by the MACOM.

§ 650.71 Waivers.

(a) No action which is contrary to the provisions contained in this subpart will be taken without first obtaining a waiver of the requirement from HQDA (DAEN-ZCE) WASH DC 20310.

(b) Waivers may be granted only if the President or the Administrator of EPA finds that the technology to implement such standards is not available or operation of the facilities in question is required for reasons of national security. Requests for such waivers will not be considered by HQDA unless it can be clearly and conclusively demonstrated that operation of the facilities in question and the proposed construction or modification meets the

above criteria. Requests for waivers will be forwarded through command channels to HQDA (DAEN-ZCE) WASH DC 20310.

§ 650.72 Investigation of complaints.

Each operating commander will establish procedures to investigate water pollution complaints and allegations from individuals and water pollution control authorities. In the case of a legal action or potential legal action, the matter will be reported immediately through judge advocate general channels to HQDA (DAJA-RL) WASH DC 20310.

§ 650.73 Water Pollution Control Report—(RCS DD-I&L (SA) 1383).

(a) The water pollution control report portion of the Environmental Protection Control Report is designed to provide HQDA with data on a phased and coordinated plan for control and abatement of water pollution for submission to OSD and OMB; and for development of the five-year Army Environmental Program. Detailed instructions for preparing and submitting this report are provided in subpart J of this part.

(b) The report will cover all portions of the water pollution control program where expenditure of funds for corrective actions is required. This includes all fixed facilities, monitoring equipment, watercraft and other mobile facilities.

Subpart D—Air Pollution Abatement

GENERAL

§ 650.81 Purpose.

The provisions contained in this chapter implement the Clean Air Act of 1970 (Pub. L. 91-604 as amended) and the applicable Federal and State Regulations issued pursuant to this Act; Executive Order 11752, Prevention, Control, and Abatement of Environmental Pollution at Federal Facilities; and DOD Instruction 4120.14, Air and Water Pollution Control.
